

HE WAKA PAKOKO

PATHWAY TO 2040

A Waka Pakoko has been chosen as the inspiration for this hui. A Waka Pakoko was simply fashioned, identifiable by a plain, inwards facing figurehead (the Pakoko).

He Waka Pakoko - Pathway to 2040 creates a space for us to be inwards facing and future focused.

We invite our iwi, young and old to wānanga, workshop and collectively define our aspirations for Te Awa Tupua over the next 20 years.
